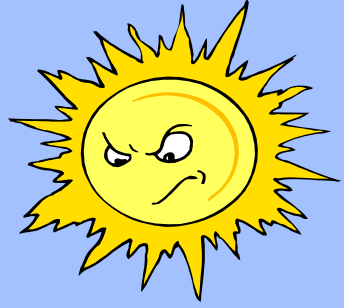
Summer Safety Campaign 2004

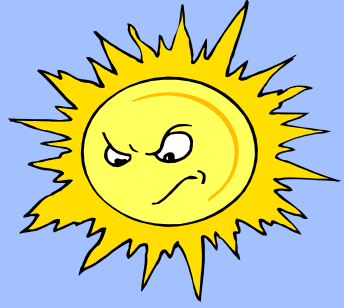
POV Refresher Training



- **Be Safe**
  - ✓ Know the European road signs
  - ✓ Be aware of “high speed” autobahn traffic
  - ✓ Be familiar with hazardous secondary roads / high-risk locations in your area
  - ✓ Always wear your seatbelt

Summer Safety Campaign 2004

POV Refresher Training

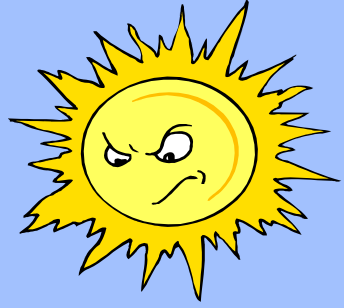


- **Biggest Concerns:**

  - ✓ **Drivers returning from extended deployments**
  - ✓ **New personnel arriving during summer rotation**
  - ✓ **Operating vehicle while under the influence of drugs, alcohol, or medication**
  - ✓ **Driving while fatigued**

Summer Safety Campaign 2004

POV Refresher Training



- **Commanders / Leaders must ensure:**
  - ✓ Drivers and operators are trained IAW driver training manuals (FM 21-305)
  - ✓ Driver training programs include vehicle preventive maintenance for summer-weather operations
  - ✓ Personnel are aware
